

The new WF parameter of BIF in BUMIX and the correct close values of BUMIX as of April 19, 2018

BSE Release - Budapest, April 26, 2018

Budapest Stock Exchange Ltd. informs all investors that as of April 19, 2018 due to technical problems the close values of the BUMIX were calculated with the use of an incorrect WF parameter that did not take the dividend payment (HUF 94) of BIF into account.

The weighting factor of BIF that has to be applied as of April 19, 2018 is 1.050109.

According to the above the correct close values of BUMIX as of April 19, 2018 are as follows:

Date	Close value
19.04.2018	4323.58
20.04.2018	4230.20
