MOL has received new U.S. approval to continue NIS negotiations

MOL Plc. ("MOL") hereby notifies the capital markets of the following:

MOL today received an official license from the Office of Foreign Assets Control of the U.S. Department of the Treasury ("OFAC") to continue negotiations on the purchase of a majority shareholding of Naftna Industrija Srbije a.d. ("NIS") until 16 June 2026.

Following a license extension granted on 22 May 2026, negotiations have progressed materially and the current additional license extension allows for the finalization of transaction documentation.
